1. BADGE NUMBERS REQUIRED ON PAPERWORK

The Department's migration away from the use of a badge number to the 5 digit employee identification number has created logistical issues for the Prosecutor's Office regarding officer notification for court. The Prosecutor's Office has requested the Department direct officers to include a badge number with the employee I.D. number.

Until the existing supply of Department forms are exhausted and reprinted with a new field for a badge number, all officers are expected to **ensure both a badge number and employee I.D. number are included** on all forms requesting either identifier, such as: MUTTs, NTAs, NIBRS, etc.

2. NEWLY APPROVED UNIFORM SWEATERS

The Police Chief has relaxed Procedure 12.020, Uniforms, Related Equipment, and Personal Grooming, regarding uniform sweaters. **Personnel are able to wear self-purchased v-neck sweaters as outerwear providing they wear them only with a long sleeve uniform shirt and tie.** All other sweaters may still be worn in a manner prescribed by Procedure 12.020. Only V-neck sweaters which conform to the following specifications can be worn as outerwear:

V-neck, flat-knit (not thick ribbed) military style sweaters with patches on the shoulders and elbow/forearm area shall be dark navy blue or black. The sweaters must have a badge tab to allow the badge to be worn on the outside of the sweater in a location similar to where placed on uniform shirts or the windbreaker. The sweaters must have a black name tape with the last name embroidered in gold. The name tape shall be similar to the name tape on the windbreaker and placed in a similar location on the wearer's right chest. The sweater must have Cincinnati Police patches on both sleeves placed similarly to where sewn on the windbreaker. The shoulders should have epaulets to support the radio microphones and to hold rank insignia. Chevrons will be worn point towards the neck and be placed in a similar location as placement for command rank insignia. The use of Velcro to support the microphone is optional.

Any sweater may be worn, provided it is similar to fabrics used in acceptable styles, such as the Blauer model #225 or the Fechheimer model #721. Sweaters may contain fleece or nylon liners.

Refer all questions related to uniform specifications to Sergeant Bill Suter, Planning Section, at 352-1239 or William.Suter@cincinnati-oh.gov.

3. COURT HOLIDAY – MARTIN LUTHER KING, JR. DAY

National observance of the Martin Luther King, Jr. Day is Monday, January 16, 2012. The Hamilton County Municipal Court will close ALL courtrooms, except Room “A” in the a.m.

The Hamilton County Juvenile Courts will be closed.

Police Officers are reminded to not issue citations requiring a court appearance on this date.

4. SEXUAL ASSAULT NURSE EXAMINER (SANE) TRAINING OFFERED AT THE POLICE ACADEMY

Training Section will host a four-hour training course, instructed by Ms. Christina Hinkle, RN/SANE, Clinical Nurse Leader of University Hospital. The “**Sexual Assault Nurse Examiner (SANE)**” course will be held at the Cincinnati Police Academy on Friday, March 30, 2012 from 0800 to 1200 hours.

This course is a presentation covering the area of sexual assaults with the purpose to provide a more in-depth understanding of sexual assault examinations and evidence. The course would be beneficial to officers and provide them with basic information and skills required to conduct investigations involving assaults. **There are no pre-requisites required to attend this course.**

Objectives for combined discussion include the following areas:

- Gunshot wounds/ballistics
- Stabbings
- Strangulations
- Drug facilitated sexual assaults
- Sexually transmitted infections
- Elder abuse

There will be no overtime provided to attend the training. Officers may attend on-duty with the approval of their supervisor. Personnel interested in attending the training must submit a Form 17 through the chain of command to their bureau commander, no later than Friday, March 9, 2012. Training Section will complete the registration and notify personnel approved to attend. Questions regarding this training should be directed to Sergeant Ron Hale, Training Section, at 513-357-7555.

Dear Chief Craig:

It was a pleasure to meet you at the Chambers' Cincy chat luncheon.

As I mentioned to you, the Police Department has been a great friend and partner with us in our *Off the Streets*SM program since the planning stage in 2005. The program's purpose is to assist women involved in prostitution make positive changes in their lives and obtain stable housing and employment. We also conduct a John's Education program for men who are arrested for solicitation.

I believe the success of the program has been in large part due to the partnership with your officers. Assistant Chief Vince Demasi helped us get the program through the planning and implementation stages and has been a strong supporter from the beginning, as has Assistant Chief Jim Whalen. But truthfully, the support goes down through the ranks to the officers on the streets as well. We have developed cooperative relationships with officers in each of the districts and work with them to connect with the women who need our services.

And, thank you for agreeing to have us auction the *Chief for the Day* at our upcoming *Voices from the Heart*SM fundraiser on February 18, 2012. All proceeds from the event support the *Off the Streets*SM program.

I was also very pleased to hear that you are considering forming a community advisory group. I have a deep interest in continuing to build the positive police/community relationships that are already evident in so many sectors. And, as you heard, I believe each of us should be promoting the positive relationships whenever possible.

If I can ever be of assistance to you or the department's efforts, please do not hesitate to contact me.

Sincerely,

Mary Carol Melton

James E. Craig, Chief of Police
Cincinnati Police Headquarters

Dear Sir,

Your Officer Smith, Badge 792, in District 3, was extremely helpful to me when I had car trouble during a miserable, rainy night. On Monday, December 5, at about 9:00 p.m., I failed to avoid an enormous pothole as I headed east along River Road where construction at State and the old Neave road has eroded the edge of the paving. Both my right wheels were bent, and one tire had been blown. Because of all the rain, that side of the car was standing in water, so even viewing the damage was not possible. I called the car repair service, which would need about 45 minutes to respond.

While I waited patiently in my car just alongside the stream of traffic, Officer Smith approached, offering help. I had underestimated the potential danger I posed to other cars, especially when the repair man would need to be at work. She pointed out a safer place up on State Street, stopped traffic so I could safely turn and limp a short way up that hill, and then stayed behind me until the repair man arrived, did what he could for my car, and departed.

Her thoughtfulness and her attention to the safety not only of me but of other drivers, and even of the repair man, were commendable. She is an excellent example of what citizens hope for in their Police Department.

Sincerely,

Margaret K. Richards

Police Chief
Cincinnati Police Department

Cincinnati, OH. 45214

Dear Chief Craig:

I wanted to take the time to show my appreciation and gratitude allowing the opportunity for an internship with the Cincinnati Police Department. This internship allowed me to see the use of philosophies and tactics I have learned from the University of Cincinnati being put to use in everyday policing. The experience taught me a great deal of the sacrifice and commitment required to serve the City of Cincinnati. The Cincinnati Police Department is an exceptional department and I thank you for allowing me to witness the outstanding service the officers provide first-hand.

Thank you sir,

Dear Chief Craig,

While I am excited about graduation, I am sad about leaving my internship at the Cincinnati Police Department. I have enjoyed working with the police officers and have learned so much about the challenges involved with police work.

I know that training a new intern was a lot of work for the Officers and I appreciate the time and patience that was given to me by them in answering all my questions and finding interesting tasks for me to do. Thank you again for allowing me the opportunity to partake in such a rewarding experience. I will try to keep in touch with all of the wonderful officers that I became acquainted with during my time at the Cincinnati Police Department.

Sincerely,
